PLEASE READ THE FOLLOWING POLICIES CONCERNING YOUR REGISTRATION.

Continuing Education (CE): A student who officially withdraws (in writing) from a CE course prior to the first class meeting is eligible for a 100% refund upon request to the CE Division. A student may be eligible to receive a 75% refund of the registration fee if the student officially withdraws (in writing) from the course after the class begins but prior to the 10% census date. A student would not be entitled to receive a refund if he/she withdraws after the 10% census date of the course.

Courses offered as self-supporting, denoted by (SS) beside course title, (motorcycle, interior design, etc.) are not eligible for a refund as these programs are funded by registration fees collected. Students are eligible for a 100% refund if the class is canceled by the College. A student may transfer ONLY ONCE (within the same semester) to another class if he/she notifies the office a minimum of one week in advance.

Course Repetition Policy: Students who take an occupational course more than TWICE within a FIVE-YEAR period shall pay their cost of the course at a rate based on current contact hour value. Students shall be primarily responsible for monitoring course repetitions; however, the College shall review records and charge students full cost for courses taken more than twice. Senior Citizens who are legal residents of North Carolina and who wish to enroll in an occupational extension course will not be required to pay for taking the course twice. Senior citizens who take an occupational extension course more than TWICE within a FIVE-YEAR period shall pay their cost for the course. Students may repeat occupational extension courses an unlimited number of times if the repetitions are required for certification, licensure, or recertification.

Senior Citizens (age 65 or older), who are qualified as legal residents of North Carolina, do not pay registration fee for one occupational class per academic semester. This does not include self-supporting courses.

The above information is accurate to the best of my knowledge and I have read the Continuing Education Refund Policy and the Course Repetition Policy and understand how each applies to my registration for this course.
